Dear Parents

I can't believe there are only 2 weeks left in school before we finish for the summer break! We have a very busy fortnight ahead filled with lots of exciting activities and events for the children! On Monday, the PTA have kindly paid for a magician to come into school and visit each class bubble as an end of year treat and we are also having a visit from the ice-cream man too!

Class 4 are also going on a trip to Leighton Hall on Wednesday so the children need to be in school at 8.30am as the coach will be leaving promptly at 8.45am.

Break the Rules Sponsored PTA Event

On Tuesday 13th July, the PTA have organised a 'Break the Rules' fundraising event. The children pay a £1 donation for each school rule they 'break' which include:

- Can wear own clothes/ pyjamas
- Can have a crazy hair style
- Can wear caps/ hair accessories
- Can wear make-up or face paint/glitter
- Can have a 'treat' in your lunch box/ or snack at playtime

Please see the attached poster for further details!

Reports

You will be receiving a copy of your child's end of year school report next Friday via email.

This new format was designed so that it could be easily sent via email and read on any device. It is important to note that these reports comment on the learning which has taken place in school. They do not take into account any home learning the children did during lockdown from Christmas to Easter.

As you can imagine, it takes the staff many hours to complete the reports! In acknowledgement could you please reply to the email acknowledging receipt and also making any relevant comments.

Finally, our new website will go live next week and we will send a Parent App out to inform you when this happens! We hope you like the new format!

Parentkind
Member Association

As a guideline, we suggest a donation of £1 per rule broken, but please only give what you feel appropriate and affordable. All money raised will go directly to the PTA. Funds raised are used towards educational equipment, to subsidise the cost of school trips, and to fund treats and fun activities for the children to enhance their school experience. Your support is greatly appreciated!
