1st July 2022

Dear Parents

A reminder that our summer fair takes place this Sunday 3rd July from 12-3pm. It's going to be a fantastic day for all the family with so many activities for everyone to enjoy. Please invite as many as people as possible to come to it and support it!

PGL meeting

There is an information meeting in school on **Monday 4th July at 6pm** for parents of children in Years 5 and 6 about our upcoming PGL trip. It is essential that a parent/ guardian attends this meeting and the children are welcome to attend too. We have had to change the date of this meeting from Thursday 7th July as the light and sound equipment for the summer production is being set up that evening.

Top of the Pops

Both our Tuesday and Thursday evening performances for 'Top of the Pops' have now sold out! Thanks to everyone who have already purchased tickets. If you no longer need a ticket that you have already purchased for the show, please return it to the school office as we will probably be able to resell it.

We have some tickets remaining for our Tuesday 1pm performance and would love the children to perform to a "full house". If you would like any tickets, you can purchase via ParentPay or if you do not have access to this, please contact the school office. Many thanks for your continued support!

Sports day

It seems that the weather always is against us when we organise our sports day! Yesterday's event had to be cancelled due to the rain each day this week which meant the field was too wet for the children to race safely.

We are hoping to reorganise sports day next week but this will now be during the school day. As we will have to be dependent on the weather forecast, this means we will only be able to give 1 or 2 days' notice. We will inform parents via Parent App on Monday of a potential date. Parents / family will be invited to attend but we are aware this is not an ideal situation. Unfortunately, though it's our only option as we have so many other commitments over the next few weeks including the summer production and the PGL activity holiday for Years 5 and 6.

Yours Sincerely

Miss D McNicoll
Headteacher
