

## **Single Equality Scheme – Inclusion and Equality Policy 2022-23**

### **Equality Statement and Objectives**

Our school mission values and ethos are central to our school and support this Equality policy

#### **'Our school, our Family, modelled on Christ'**

This policy outlines the commitment of the staff, pupils and governors of St Mary's RC Primary School to ensure that equality of opportunity is available to all members of the school community.

For our school this means not simply treating everybody the same but understanding and tackling the different barriers which could lead to unequal outcomes for different groups of pupils in school, whilst celebrating and valuing the achievements and strengths of all members of the school community.

*These include:*

- Pupils
- Staff
- Parents/carers
- The governing body
- Multi-agency staff linked to the school
- Visitors to school
- Students on placement

We believe that equality at our school should permeate all aspects of school life and is the responsibility of every member of the school and wider community. Every member of the school community should feel safe, secure, valued and of equal worth.

At St Mary's, equality is a key principle for treating all people fairly and creating a society in which everyone has the opportunity to fulfil their potential - irrespective of their gender, ethnicity, disability, religion or belief, sexual orientation, age or any other recognised area of discrimination.

# *St Mary's RC Primary School*

*At St Mary's RC Primary School, we are committed to:*

- promoting equality of opportunity
- eliminating discrimination and harassment
- valuing diversity and promoting positive relationships
- providing an inclusive education which enables all pupils to develop their full potential
- meeting the requirements of the Equality Act 2010.

St Mary's RC Primary School recognises that all members of the school community are unique individuals entitled to equality of opportunity and continuing support. It is a primary school within Lancashire Education Authority. The school is in the town of Haslingden and serves a diverse socio-economic community.

## **Background to this policy: The Equality Act 2010**

The requirements of the Equality Act have been introduced incrementally since October 2010. In April 2011 the general public sector duty came into force and in April 2012 schools had the specific duty to publish information and the specific duty to publish objectives.

The primary purpose of the legislation is to bring together existing equalities legislation. Primarily these are the Equal Pay Act of 1970, the Sex Discrimination Act 1975, the Race Relations Act of 1976, the Race Relations (Amendment) Act 2000, the Disability Discrimination Act 1995 and three major statutory instruments of recent years protecting discrimination in employment on grounds of religion or belief, sexual orientation and age.

It also builds on the 2006 Equality Act which instigated the Equality and Human Rights Commission. The 2010 Act imposes equality duties in respect of each of the equality strands (now called protected characteristics).

The protected characteristics are:

- Age
- Disability
- Gender re-assignment
- Pregnancy and maternity
- Race
- Religion or belief
- Sex
- Sexual orientation

# *St Mary's RC Primary School*

Public authorities are also required to have "due regard" to the need to eliminate discrimination against someone because of their marriage or civil partnership status. The Equality Act has a single equality duty of positively combating inequality.

It brings all existing provisions broadly into line with one another and extends beyond race, gender and disability to now include the characteristics of age, sexual orientation and religion or belief.

The Act also identifies other characteristics such as marital status, pregnancy, having caring responsibilities or maternity. The definition of equality is therefore wider than it has been before.

Additionally, requirements that in the past have been seen as good practice are now legally enforceable. For example, the law now requires that as part of their procurement processes, public bodies should prefer companies that it contracts with to have a positive record on equality matters. There are also implications for the community cohesion agenda.

The existing duty to promote good race relations has been replaced with a generic one to promote good relations. The Equality Act will require all public authorities to take the aspects of interaction, empowerment, personal security and attitudes to others into account. Community cohesion is in sympathy with most, if not all, of the requirements in the legislation and thus there should not be a radical departure in terms of delivery. This document meets the requirements under the following legislation:

- The Equality Act 2010, which introduced the public sector equality duty and protects people from discrimination
- The Equality Act 2010 (Specific Duties) Regulations 2011, which require schools to publish information to demonstrate how they are complying with the public sector equality duty and to publish equality objectives

## **Single Equalities Policy**

This policy outlines the commitment of the staff, pupils and governors of St Mary's RC Primary School to ensure that equality of opportunity is available to all members of the school community. For our school this means not simply treating everybody the same but understanding and tackling the different barriers which could lead to unequal outcomes for different groups of pupils in school, whilst celebrating and valuing the achievements and strengths of all members of the school community. These include:

- Pupils
- Staff
- Parents/carers
- The governing body
- Multi-agency staff linked to the school
- Visitors to school
- Students on placement

We believe that equality at our school should permeate all aspects of school life and is the responsibility of every member of the school and wider community. Every member of the school community should feel safe, secure, valued and of equal worth.

At St Mary's, equality is a key principle for treating all people fairly and creating a society in which everyone has the opportunity to fulfil their potential - irrespective of their sex, race, disability, religion or belief, sexual orientation, age, gender re-assignment or any other recognised area of discrimination including pregnancy and maternity.

## **School in Context**

The school is made up of a roughly equal balance of boys and girls though this differs slightly in each cohort of children.

There are a small number of children from different ethnic heritage with the vast majority of pupils from white English-speaking backgrounds, so every effort is made to ensure an inclusive family atmosphere prevails. There are 19% of pupils on the SEND register and a small number of children with medical conditions. Currently 4 children have an EHCP plan.

The school is easily accessible for parents and governors with physical disabilities, of which there are a very small minority.

At present the school has four children in care.

## **Ethos and atmosphere**

At St Mary's we ensure an atmosphere where children are purposefully engaged in learning which promotes excellence, enjoyment, resilience, self-control, cultural understanding, world citizenship and independence.

To promote this, at St Mary's RC Primary School, the leadership of the school community will demonstrate

mutual respect between all members of the school community

- There is an openness of atmosphere which welcomes everyone to the school
- All within the school community will challenge any type of discriminatory and/or bullying behaviour, e.g. through unwanted attentions (verbal or physical) and unwelcome or offensive remarks or suggestions
- All pupils are encouraged to greet visitors to the school with friendliness and respect
- The displays around the school are of a high quality and reflect diversity across all aspects of equality of opportunity and are frequently monitored
- Provision is made to cater for the spiritual needs of all the children through planning of assemblies, classroom based and externally based activities

## **Values and Beliefs**

We are an inclusive school where pupils, parents, staff, governors, the local authority and local services work in partnership to meet the needs of the community. We celebrate the positive contribution made by different social, ethnic and linguistic groups.

- Our key value at St Mary's is **RESPECT** - respect for our friends, our family, our teachers, but most importantly respecting ourselves by living our school values each day.

**The DfE have recently reinforced the need 'to create and enforce a clear and rigorous expectation on all schools to promote the fundamental British values of democracy, the rule of law, individual liberty and mutual respect and tolerance of those with different faiths and beliefs.'**

# *St Mary's RC Primary School*

The five key British Values are:

1. Democracy
2. The rule of law
3. Individual liberty
4. Mutual respect
5. Tolerance of those of different faiths and beliefs

The Department for Education has introduced a statutory duty for schools to promote British Values more actively from September 2014, and to ensure they are taught in schools and we ensure our values support the wider British Values.

Actively promoting the values means everyone challenging opinions or behaviours in school that are contrary to fundamental British values. St Mary's is committed to serving its community.

It recognises the multi-cultural, multi-faith and ever-changing nature of the United Kingdom. It also understands the vital role it has in ensuring that groups or individuals within the school are not subjected to intimidation or radicalisation by those wishing to unduly, or illegally, influence them. We follow equal opportunities guidance which guarantees that there will be no discrimination against any individual or group, regardless of faith, ethnicity, gender, sexuality, political or financial status, or similar.

St Mary's Primary School is dedicated to preparing students for their adult life beyond the formal, examined curriculum and ensuring that it promotes and reinforces British values to all its students.

Our learning is also guided by our REACH values and aspirations - these are the 5 Rs for learning. We explored every half term as a theme.

***The 5 Rs are:***

- **RESILIENCE**
- **ENTERPRISING**
- **ACHIEVING**
- **CITIZENS OF THE WORLD**
- **HEALTHY FOR LIFE**

These attitudes make us into independent learners and we often link these to our school values as they are the key to our happiness and success.

At St Mary's School, the leadership of the school demonstrates mutual respect between all members of the school community.

- There is an openness of atmosphere which welcomes everyone to the school
- All within the school community are prepared to challenge any type of discriminatory and/or bullying behaviour, eg through unwanted attentions (verbal or physical) and unwelcome or offensive remarks or suggestions
- All pupils are encouraged to greet visitors to the school with friendliness and respect
- Provision is made to cater for the spiritual needs of all the children through planning of assemblies, classroom based and externally based activities

## **Monitoring and Review**

St Mary's is an inclusive school, working towards greater equality in the whole school community. We use the curriculum and teaching to enhance the self-esteem of all those it serves and to provide a learning environment in which each individual is encouraged to fulfil her or his potential.

*To support the monitoring and review process:*

- We collect and analyse a range of equality information for our pupils/students:
- We make regular assessments of pupils' learning and use this information to track pupils' progress, as they move through the school. As part of this process, we regularly monitor the performance of different groups, to ensure that all groups of pupils are making the best possible progress. We use this information to adjust future teaching and learning plans, as necessary.
- We ensure that resources are available to support groups of pupils where the information suggests that progress is not as good as it should be. The governing body receives regular updates on pupil performance information.
- School performance information is compared to national data and local authority data, to ensure that pupils are making appropriate progress when compared to all schools, and to schools in similar circumstances.

*As well as monitoring pupil performance information, we also regularly monitor a range of other information. This relates to:*

- Attendance
- Exclusions and truancy
- Racism, disabilism, sexism, homophobia and all forms of bullying
- Parental involvement
- Participation in After School Activities

# *St Mary's RC Primary School*

Our monitoring activities enable us to identify any differences in pupil performance and provide specific support as required, including pastoral support. This allows us to take appropriate action to meet the needs of specific groups in order to make necessary improvements.

St Mary's School is also committed to providing a working environment free from discrimination, bullying, harassment and victimisation. We aim to recruit an appropriately qualified workforce and establish a governing body that is representative of all sections of the community in order to respect and respond to the diverse needs of our population.

We collect and analyse a range of profile information for our staff and governors such as:

- Pupil information on bullying, gender and racial incidents is recorded in CPOMS.
- Information on incidents relating to adults will be kept by the headteacher or if the case is concerning the headteacher then the deputy headteacher

Other information may be collected regarding:

- Applicants for employment
- Staff profiles
- Governing body profiles
- Training events

All information will be regarded as confidential

Due regard is given to the promotion of equality in the School Improvement Plan. The person responsible for the monitoring and evaluation of the policy and any action planning is the headteacher.

Their role is to:

- Lead discussions, organise training, update staff in staff meetings, support discussions
- Work with the governing body on matters relating to equality
- Support evaluation activities that moderate the impact and success of this policy

It is the policy of St Mary's RC Primary School to provide equal access to all activities from an early age.

We undertake responsibility for making contributions to extended learning opportunities and are aware of the school's commitment to equality of opportunity (e.g. sports teachers, external providers) by providing them with written guidelines drawn from this policy.

We try to ensure that all such non staff members who have contact with children adhere to these guidelines.

- We recognise that perpetrators may also be victims and require support.
- Positive role models are used throughout the school to ensure that different groups of pupils can see themselves reflected in the school community

## **The Measurement of Impact of the Policy**

Taking this single equality approach, we will incorporate all requirements into one annual report to governors which meets the requirements of the new legislation and which will formulate the basis for the annual action plan.

## **Lancashire Equality Mark Objective 2022-23**

The Lancashire Equality Mark is awarded to schools who have taken measures to embed Equality throughout their practice with the goal of enabling all pupils to thrive in a supportive learning community through auditing, developing and consolidating good practice in different areas of Equality.

# *St Mary's RC Primary School*

The Equality Mark comprises six individual Equality Badges:

- Race Equality Badge
- Gender and Gender Variance Equality Badge
- Disability Equality Badge
- Socio-economic Equality Badge
- Sexual Orientation Equality Badge
- Religion and Belief Equality Badge

As a school, we will identify priorities each year. In 2023, we are aiming to achieve the Socio-Economic badge.

**Appendix 1 – for information**

**Race**

The term race includes colour, ethnic origin, nationality, national origin and citizenship as well as race.

**Reporting racist incidents in schools**

Schools in Lancashire are required to have in place a procedure for dealing with and reporting racist incidents, which includes providing an annual summary of racist incidents to Lancashire County Council.

**Disability**

What is a disability?

Disability is a physical or mental impairment which has an effect on a person's ability to carry out normal day-to-day activities. That effect must be:

- substantial (more than minor or trivial)
- adverse
- long-term (it has lasted, or is likely to last, for at least a year or for the rest of the life of the person affected)

There is no need for a person to have a specific, medically-diagnosed cause for their impairment – what matters is the effect of the impairment, not the cause. Examples include hearing or sight impairments, a significant mobility difficulty, mental health conditions or learning difficulties. There are many other types of condition, illness or injury that can result in a person being disabled (eg diabetes, asthma, cancer, arthritis, epilepsy, multiple sclerosis, heart conditions, facial disfigurement).

## **Gender**

The term gender includes boys, girls, men and women, and transgender/transsexual people. Sexual orientation is a distinct protected characteristic. (The term transgender refers to a range of people who do not feel comfortable with their birth gender).

What is the difference between sex and gender?

- Sex refers to biological status as male or female. It includes physical attributes such as sex chromosomes, gonads, sex hormones, internal reproductive structures, and external genitalia.
- Gender is a term that is often used to refer to ways that people act, interact, or feel about themselves, which are associated with boys/men and girls/women. While aspects of biological sex are the same across different cultures, aspects of gender may not be.

## **Sexual Orientation**

Heterosexism is any prejudice and discrimination against individuals and groups who are lesbian, gay, bisexual (LGB) or are perceived to be so. It is based on the assumption that everyone is or should be heterosexual. Expressions of dislike, contempt or fear based on heterosexism are usually known as homophobia, although lesophobia and biphobia are also coming into use. Whether through institutional practice or personal behaviour, the prevalence of heterosexism is likely to mean that LGB people feel excluded and unsafe. This effect can be mitigated by an actively welcoming and supportive environment.

Sexual orientation is defined as an individual's sexual orientation towards people of the same sex as her or him (gay or lesbian), people of the opposite sex (heterosexual) or people of both sexes (bisexual).

Transgenderism and gender re-assignment

1. is an umbrella term used to describe people whose gender identity or gender expression differs from that usually associated with their birth sex. Gender re-assignment is the process a transgender person goes through to change sex.
